Reports

School reports have been posted and you should receive them shortly. Parent / Teacher conversations are scheduled for 30 June to 01 July. After the parent survey last year we have taken on board the feedback in regards to children being a part of the interview process. This year we will revert to the tried and true and meetings will be held between the teacher and parents. There is no requirements for children to attend. However, so that you have an understanding of what your child is doing in their class the children will be putting together a presentation (like they have done previously) and this will be shared via Seesaw prior to your interview.

If your child is in **Liz Titter/Nicole Banister's room** they are having their interviews the week before **starting on 22 June**. You should have received your child's report by now and you have a separate interview schedule as well.

All interview times can be booked via the app

www.schoolinterviews.co.nz

using the code **aacyz**

If you can't make it on the set dates or the times don't suit please contact your child's teacher(s) and they can arrange a different time for you.

Pukemokimoki Marae Visit

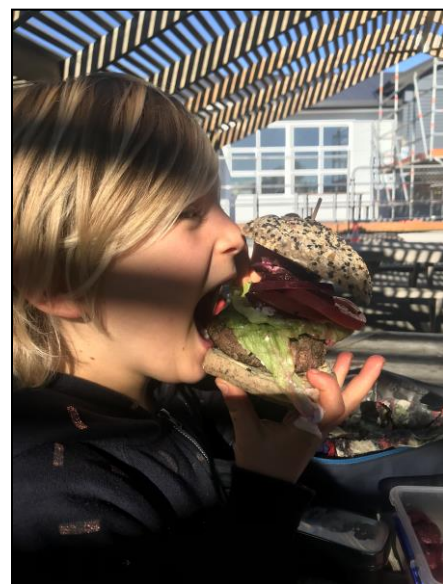

As part of our Turangawaewae kaupapa, on Thursday the 24th June our school will be visiting the Pukemokimoki Marae. We have adopted this as our school marae that we will connect with and throughout time we will be able to contribute to the upkeep of the marae and have noho (learning sessions) there for educational purposes. The school will be broken into two groups and we will travel by bus. A very detailed separate notice will be coming out alongside this Newsletter with all the information you need to know.

Possibly the most impressive self-made homemade lunch in the history of homemade lunches 😊 Well done August.

Poipoi and Aoraki had fun working together on a discovery challenge - Gavin's Birthday cake design!
