**No 16: 9 August 2021**

Dear Parents & Caregivers

**Tēnā koutou te hunga pānui o tō tātou hāpori.  
Ngā mihi mahana ki a koutou katoa**

Wow, what a start to the week – we get lulled into a false sense of weather security and then boom – today happens. Thank you everyone who came down on Friday and had a moment with their children at the school Olympics. It was a great morning and the children had a load of fun. Thanks to Mr Daly for organising this for us.

I just love the look on the faces and the helping of each other that is happening in these photos.

Last week I talked about the hubs moving. Unfortunately the builders had an unexpected hitch and we were unable to do it. We are hoping for this week (Tuesday and Wednesday)

The year 6 children have been having some great sessions recently at Napier Intermediate. This term they get a range of technology sessions to give them an insight into the intermediate tech programme as well as the annual Big Day Out which happened last week. This has come about through our connections as a 'Community of Learning' with Napier Intermediate and means that the transition next year for these students will be so much easier as they will have an idea of what to expect and where things are at their new school.

Last week they were led by three leaders, who are past pupils: Claudia, Mabel and Naomi. It was a great day of indoor games (due to the rain), Pasifika and kapa haka displays and sampling technology classes.

**Important Dates / School Events**

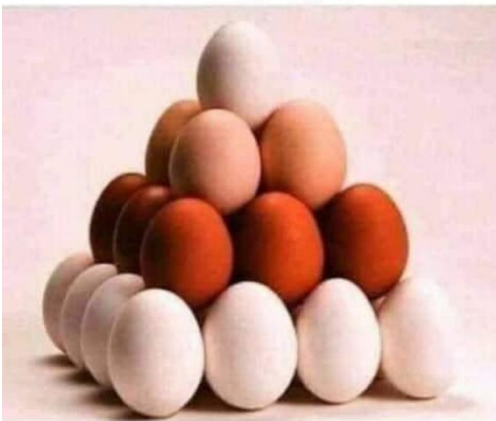

- 11 August Coastal Cluster Soccer
- 27 August School Cross Country
- 22 / 23 Sept School Production Nights
- 01 Oct End of Term Three

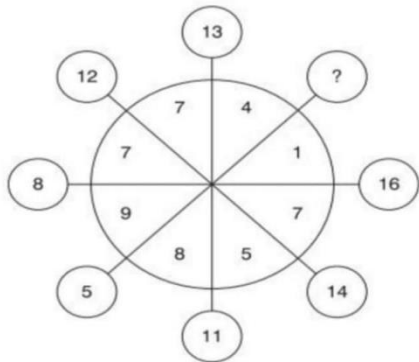

Lego Building in Poipoi Hub

This week is **Maths Week**. Can you solve these maths problems?

HOW MANY EGGS ?

What number should replace the question mark?

Koina ngā kōrero mo tēnei wā  
 Kia pai ō koutou wiki  
 Nāku nā  
**Glenn**

Needed for the Production please. Flowers with stems so we can bunch them together to make little bouquets

A big thank you to the whanau who came to help with the cutting morning on Friday. We really appreciate your support. We are starting to give out costumes to be sewn so if you would like to help sew some costumes for us please email me and let me know. Next week we will begin working on props so please let me know if you would like to help with designing these. Colleen is having another cutting morning on Thursday 12th August 9am in the Piki hub kitchen. Please come along if you would like to help cut fabric.
